

Ex. 1b

Blue Lake Cmpgrd/B. Schaper

Greg Carlson to: Scott.A.Matthews, MMAUPIN

Cc: Wendy Melgin

11/21/2012 03:30 PM

Gentlemen: I spoke to Brian Schaper this p.m. and he hasn't done anything to respond to either the EPA Request for Info. or EPA's request for voluntary restoration. He stated that he disagreed w/ our findings and didn't believe he was in the wrong. I told him our wait was up and that we would commence formal enforcement proceedings.

I would encourage IDEM to begin a concurrent case, i.e., double team him.
